

Administrators,

ASSEMBLIES • STAFF DEVELOPMENT • STUDENT LEADERSHIP • PARENTS AFFORDABLE, EFFECTIVE, & EMPOWERING

1. Rhythms of Life — Entertain and educate your students with this highly interactive percussion assembly. See Rhythms of Life at:

<http://www.peermentor.net/education.html#4> for a full description and a three minute video. High energy and participation entices the students to learn how to be your own person, how to stand alone in the crowd and do the “right” thing, how to handle and reduce bullying. There is also a separate more technical music presentation for music classes.

2. Staff Development — Empower your staff with these workshops for teacher development. See topic list at <http://www.peermentor.net/education.html> for PD days, staff development days, after school, etc. These workshops are both empowering and uplifting for teachers. Book early for best times.

3. New Teacher Induction Programs — Engage new and experienced teachers as they learn how to mentor each other more effectively. Learn the latest trends in mentoring, identify the characteristics of effective mentor programs and receive coaching on how to apply those principles, trends, and qualities to create or strengthen New Teacher Induction Programs (NTIP). Participants learn from an International leading expert in Mentor Training. For details see <http://www.peermentor.net/education.html>.

4. Student Leadership — Excite your student leaders with these training workshops available from two hour to full day training in leadership skill development. From mentor leadership training sessions, students use these transferable skills to lead and facilitate activities in their school setting. For details see <http://www.peermentor.net/education.html>.

5. Adviser Council / Parent Workshops — Activate and empower your school community with a wide variety of parent workshops. Parents enjoy and learn the latest educational trends, various parenting skills, and ways to work together with their community school. See details of evening programs at <http://www.peermentor.net/education.html>.

Call early to book the best times.
