Vision — To lead as the international source for mentor, coach and leadership training.

Focus — To utilize mentoring, coaching, leadership training, and emotional intelligence assessment with leaders and aspiring leaders. Our focus is on "People Helping People."

Philosophy:

- We believe in the connectivity of others to spark learning, growth, mutual support and creativity.
- We recognize the intellectual capacity of others and that together we are stronger.
- We embrace technology as the leading edge of what is becoming a set of "new mentor, coach and leadership strategies."
- We know that, with the right training and skill development, the human potential will exceed expectations and consistently seek out new horizons.

Actions — We will continue to develop an international web presence, technical connectivity, extended efforts to embrace the human relationship, commitment to respect and integrity, and a passionate pursuit of intelligent growth and social innovation.
